

# *Hey Class of 2024, Who's Down for Some Fun?!*

For the Class of 2024, I'm bringing back a popular program from the past by having a Senior Modeling Team!

By being on the team, you'll get your main session in the season of your choice – summer or fall – but you'll also get mini-sessions too – summer or fall, winter and a cap & gown session in the Spring! Plus a bonus BFF session too with up to 3 of your friends too!

I can come out to a sporting event/activity you are involved in and get more shots of you doing what you love to do as well as posed shots in your uniform, costume, etc. We could do different themes too like sunflowers, urban, beach, Prom, etc!

This won't cost any extra, plus you get so much more! It's no secret that your smiles are my advertising during the year and being on the team allows me to post more images and you get the chance to show off you as well as do your best influencing!

Additionally, I always learn so much from your creativity and ideas, which in turn allows me to try new techniques to create more stunning images of you!

Please let me know if you're interested or need more information!
